**Re: ET Docket No. 98-153 -- Revision of Part 15 of the Commission's Rules Regarding  
Ultra-Wideband Transmission Systems  
*Ex Parte Communication***

Dear Ms. Salas:

Pursuant to Section 1.1206(a)(2) of the Commission's Rules, on behalf of XtremeSpectrum, Inc., I am filing this letter electronically to report an oral ex parte communication in the above-referenced proceeding.

Yesterday I met with Julius P. Knapp of the Office of Engineering and Technology. During our conversation I referred to XtremeSpectrum's filing of March 12, 2001, which had mentioned a 20 dB limit on peak-to-average ratio. We briefly discussed whether such a limit would help to address some of the interference concerns raised in the proceeding.

If there are any questions about this submission, please call me at the number above.

Respectfully submitted,

Mitchell Lazarus  
Counsel for XtremeSpectrum, Inc.
